*Announcement of the
Opening of our*

NEW DISPLAY YARD

in Houston

LOCATION: 7200 Block Lawndale Avenue, adjoining Forest Park Cemetery on the west, covering 20 acres.

EQUIPMENT: Office building modeled after a Japanese temple, also, show greenhouses and lath houses. Plenty of parking space.

ON DISPLAY

Azaleas in many varieties and all sizes, notably, some of which are twenty-five feet in diameter, seventy to eighty years old—the largest in the country.

Camellias, fifteen to twenty feet in height in the following varieties: Pink and White Perfection, Alba pleno, Chandler elegans, and many other rare varieties.

Pink and Purple Chinese Magnolias—the largest specimen trees in the South.

Specimen Yaupons, trained and trimmed, with berries.

Dogwood, Redbud, Chinese Redbud, Tree-Shaped Wisteria, etc., in specimen sizes, ready to bloom.

Garden Furniture, rare and artistic. Ready to deliver; also, made to order on our grounds by our skilled artist.

Specimen Magnolia Grandiflora, Chinese and American Holly, English Holly, Japanese Holly, Native Pink Dogwood and two new and beautiful shrubs, **Cleyera Japonica** and **Eurya Japonica**.

SPECIAL SERVICES

Soils and Fertilizers: Both commercial and animal fertilizers; also, peat moss. Prepared soils for Azaleas, Camellias, and gardens. We are equipped to test soils for our customers for a small charge (\$1.00 to \$2.50). Particular attention is paid to soils for growing Azaleas and Camellias.

Rental Service: We rent decorative plants in tubs for weddings, display rooms, hotels, restaurants, etc., by the day or by the month. Charges furnished on request.

Care-Taking Service: We take care of lawns, yards, cemetery lots, and gardens, by contract. Charges gladly furnished on request.

Lawn Service: St. Augustine Grass, the perfect lawn grass for the South. Uniformly soft, velvety, peagreen in shade or in the open, in winter or in summer. Springy and luxuriant . . . you walk over it and do not feel the hard soil beneath.

"St. Augustine Grass has no equal as shade

grass in Florida or the coastal plain of the Southern states. It grows equally well in sun or shade. If given plenty of water and nitrogen fertilizer, it will grow under practically all conditions in this section. It is one of the best grasses available for shady places; but, since seed is not available, lawns are started vegetatively." (Farmers Bulletin, U. S. Dept. of Agriculture, 1935 Pub.)

Price, bare roots, per bushel.....\$ 1.50
Sod, small squares, per bushel..... 1.50
Sod, 100 sq. ft..... 12.50
Price of larger quantities on application.

We make lawns by contract, with or without furnishing soil, special fertilizers, preparation of soil, etc. Estimates gladly furnished.

Big Trees Moved: Under guarantee. This service is one of our specialties and we are fully equipped with special machinery and experts to do the work. Satisfaction guaranteed on money back basis. Estimates gladly furnished on request.

CAMELLIAS

- 1 RUBRA VIRGINALIS**—Beautiful salmon pink peony-type double flowers. Free bloomer, extremely hardy and very showy. One of the most satisfactory Camellias for Houston and vicinity. Tree 12 ft. in height 8 ft. spread beautifully shaped and heavily budded.
- 2 DOUBLE RED**—Name not known. Showy red flowers full double. Tree 6 feet tall, 6 feet spread. Beautifully shaped. Loaded with flower buds.
- 3 DOUBLE RED**—Same as No. 2. Tree 7½ feet tall. Spread 6 feet. Symmetrical, shapely. Tree heavily budded.
- 4 RUBRA VIRGINALIS**—For description see No. 1. Beautiful, shapely tree, 11 feet tall with an 8-foot spread. Plenty of flower buds.
- 5 RUBRA VIRGINALIS**—For description see No. 1. Large beautiful tree, 12 feet tall with a spread of 10 feet. Finest specimen. Heavily budded.
- 6 RUBRA VIRGINALIS**—For description see No. 1. Large stately tree. Beautifully shaped and loaded with flower buds. This tree is 12 feet high with a spread of 10 feet.
- 7 DOUBLE RED**—Variety not known. Full double showy red flowers with a tinge of white. Tree is 11 feet tall and 5 feet across. Heavily budded.
- 8 ALBA PLENO**—Pure white flowers. Large and full double. Tree very shapely. 10 feet tall with a 7-foot spread. This is one of the earliest bloomers of the Camellias and is considered one of the best.
- 9 DOUBLE VARIEGATED**—Name not known. Beautiful full double variegated red and white flowers. Very attractive. Tree 12 feet tall with a spread of 6 feet. Loaded with flower buds.
- 10 RUBRA VIRGINALIS**—For description see No. 1. Tree 10 feet tall and very shapely with a spread of 6 feet. Heavily budded.
- 11 CHANDELIERI ELEGANS**—Flowers extra large semi-double peony-type. Variegated deep pink and white. One of the hardiest and best Camellias. Tree shapely. 7 feet tall with a 3-foot spread. Loaded with open flowers and buds.
- 12 PINK PERFECTION**—Flowers of shell pink. Full double. Produced in profusion during December, January and February. One of the finest Camellias. Tree 7½ feet tall. Well proportioned with a spread of 4 feet.
- 13 DOUBLE VARIEGATED**—Name unknown. Flowers somewhat late of pink and white. Produced in profusion. Very showy. Tree beautiful specimen. Height 6 feet with a spread of 5½ feet. Very hardy.
- 14 TRI-COLOR**—Flowers of three separate colors. Produced in profusion on same tree. Some flowers all red, some all white and some pink and white variegated. Very attractive. Tree large, 12 feet tall, shapely, with a spread of 8 feet.
- 15 RUBRA VIRGINALIS**—For description see No. 1. Tree 8 feet tall, 6-foot spread. Symmetrical. Beautifully shaped. Heavily budded.
- 16 VARIEGATED**—Pink and white. Beautifully shaped flowers. Profuse bloomer. Name unknown. Tree tall and very shapely. 12 feet tall with a spread of 7 feet. Symmetrical and heavily budded.
- 17 DOUBLE DEEP PINK**—Name not known. Beautiful flowers, full double of deep pink color. Tree beautifully shaped. 8 feet tall, 7 feet wide, heavily budded. One of the best Camellias.
- 18 RUBRA VIRGINALIS**—For description see No. 1. Beautiful, shapely tree. 12 feet tall, 7 feet wide. Will flower profusely within the next 30 days.

Japanese Nurseries offers its friends an opportunity to view the most outstanding collection of large size Camellias ever grouped by one nursery in Texas. Included in this large collection are specimens ranging up to twenty feet in height and fifteen feet across . . . We invite you to visit this Camellia display at our Lawndale yard.

19 NOBLISSIMA - RUBRA VIRGINALIS—Grafted tree, half Noblissima which produces profusely flowers of pure white. Semi-double. The other half is Rubra Virginalis, described under No. 1. Tree is well proportioned and beautifully shaped. Heavily budded.

20 SEMI-DOUBLE WHITE—Name unknown. Free bloomer. Flowers pure white. Tree 12 feet tall, 6 feet wide. Healthy and in good condition.

21 CHANDELERI ELEGANS—For description see No. 11. Tree 10 feet tall, 6 feet wide. Strong and healthy.

22 PINK PERFECTION—For description see No. 12. Beautiful shapely tree. 6 feet tall with a 4-foot spread.

23 PINK PERFECTION—Same size and shape of No. 22.

24 DOUBLE VARIEGATED—Name unknown. Beautiful full double flowers of red and white. Tree very shapely. 7 feet tall, 4 feet wide. Heavily budded.

25 PINK PERFECTION—Described under No. 12. One of the most shapely of all our trees. 6 feet tall and 6 feet in diameter. Loaded with buds and open flowers.
